**Lab FW 4.1A**  
**Volumes of “TANGRAM” Prisms**

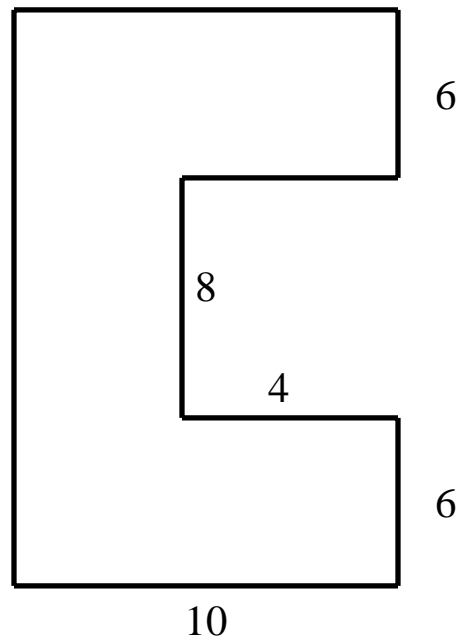

***USE YOUR IMAGINATION...***

Each two-dimensional drawing below represents the ***BASE*** of a fancy shape prism. Using the height provided, find the volume of each prism:

1) Height = 3 cm

2) Height = 6 cm

*Note: Use the Tangram manipulative found on [mathchamber.com](http://mathchamber.com) as a complement to this activity*
